The Honorable Patti B. Saris

**Re: GREENBERG, Howard Earl**  
 Reg. No. 15163-038  
 Docket No. 1:04CR10299-001-PBS

Dear Judge Saris:

This is in response to the Court's recommendation that Howard Greenberg serve his term of confinement at the Devens Federal Medical Center in Ayers, Massachusetts. The Court also recommended he participate in the Residential Drug Abuse Program (RDAP). Mr. Greenberg was sentenced in your court to a 46-month term for Conspiracy to Distribute Cocaine.

Unfortunately, we were unable to follow all of the Court's recommendations. Mr. Greenberg has been classified as a minimum security level offender. The RDAP is not available at the Devens minimum security level facility. Accordingly, Mr. Greenberg has been designated to the minimum security level facility in Lewisburg, Pennsylvania, where the RDAP is available. The staff at that facility will encourage Mr. Greenberg to participate in the RDAP, if determined eligible under the established program criteria.

Although we were unable to follow all of the Court's recommendations in this case, please be assured of our continued commitment to satisfy judicial recommendations whenever possible.

Sincerely,

*Rebecca Tamez*
